Your Market Results

Kennion took your group to market and received 128 plan options from Angle Health (24 plans), Gravie (58 plans) and UnitedHealthcare (52 plans). Angle Health offered the lowest average employee-only cost at \$189/month, assuming a 50% employer contribution. Gravie offered the widest selection with 58 plans, with available network options including Cigna and United Choice Plus. Your group will pick the Carrier/TPA you want to partner with, then select the health plans you want to offer your employees.
