This is only a partial list of dental services. When Orthodontia coverage is for "Child(ren)" only, the orthodontic appliance must be placed prior to the age limit set by your plan; If full-time status is required by your plan in order to remain insured after a certain age; then orthodontic maintenance may continue as long as full-time student status is maintained. If Orthodontia coverage is for "Adults and Child(ren)" this limitation does not apply.

*General Anesthesia - restrictions apply.

‡For PPO and or Indemnity members, Fillings - restrictions may apply to composite fillings.
