

**Summary of Benefits and Coverage: What this Plan Covers & What You Pay for Covered Services**  
**Gravie QHDHP \$4,250 Ded/\$4,250 OOPM Cigna Healthcare® Open Access Plus Network**

**Coverage Period:**  
**Coverage for: Ind + Family**  
**Plan Type: OAP-IN**

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, you can contact Gravie Care® at 833.202.5930, weekdays, 8a.m. to 5 p.m. CST. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call Gravie Care® at 833.202.5930, weekdays, 8a.m. to 5 p.m. CST to request a copy.

| Important Questions                                                                    | Answers                                                                                                                                                                       | Why This Matters:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What is the overall <a href="#">deductible</a> ?                                       | <b>In-Network (INN):</b><br>\$4,250 Individual<br>\$8,500 Family<br><br><b>Out-of-Network (OON):</b><br>N/A - No Coverage.                                                    | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> . (The individual <a href="#">deductibles</a> are embedded within the family <a href="#">deductible</a> .)                             |
| Are there services covered before you meet your <a href="#">deductible</a> ?           | Yes. In-network <a href="#">preventive services</a> are covered at no charge before the <a href="#">deductible</a> .                                                          | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other <a href="#">deductibles</a> for specific services?                     | No.                                                                                                                                                                           | You don't have to meet <a href="#">deductibles</a> for specific services.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| What is the <a href="#">out-of-pocket limit (OOPM)</a> for this <a href="#">plan</a> ? | <b>In-Network (INN):</b><br>\$4,250 Individual<br>\$8,500 Family<br><br><b>Out-of-Network (OON):</b><br>N/A - No Coverage.                                                    | The <a href="#">out-of-pocket limit (OOPM)</a> is the most you could pay in a year for covered services. If you have other family members on this <a href="#">plan</a> , they have to meet their own <a href="#">OOPMs</a> until the overall family <a href="#">OOPM</a> has been met. The most a family will pay in a plan year is the family <a href="#">OOPM</a> . (The individual <a href="#">OOPMs</a> are embedded within the family <a href="#">OOPM</a> .) There is no out-of-network <a href="#">out-of-pocket limit (OOPM)</a> .                                                          |
| What is not included in the <a href="#">out-of-pocket limit (OOPM)</a> ?               | <a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.<br>Out-of-Network <a href="#">cost-sharing</a> . | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

| Important Questions                                                          | Answers                                                                                                                                        | Why This Matters:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Will you pay less if you use a <a href="#">network provider</a> ?            | Yes. See <a href="http://www.cigna.com">www.cigna.com</a> or call Gravie Care® at 833.202.5930 for a list of <a href="#">network providers</a> | This <a href="#">plan</a> uses a <a href="#">provider network</a> . There is <b>no coverage</b> for out-of-network services except in emergencies or other limited situations required by law. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ? | No.                                                                                                                                            | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if the [deductible](#) applies.

| Common Medical Event                                                   | Services You May Need                                                               | What You Will Pay                                                               |                                                    | Limitations, Exceptions, & Other Important Information                                                                                                                                                                                                                                  |

## Excluded Services & Other Covered Services:

Services Your [Plan](#) Generally Does NOT Cover (Check your policy or [plan](#) document for more information and a list of any other [excluded services](#).)

- Abortion, except when a [provider](#) operating within the scope of their license determines that: (a) the pregnancy is a result of rape or incest; or (b) the life or health of the mother would be endangered if the fetus is carried to full term.
- Acupuncture
- Bariatric Surgery
- Cosmetic Surgery (unless [reconstructive surgery](#))
- Dental Care (Adult, Routine)
- Infertility Treatment
- Long-Term Care
- Non-Emergency Care when Traveling outside the U.S.
- Private-Duty Nursing
- Routine Foot Care (except certain conditions)
- Weight loss programs (except [preventive](#) obesity counseling/[screening](#))

Other Covered Services (Limitations may apply to these services. This isn't a complete list. Please see your [plan](#) document.)

- Chiropractic Care
- Hearing Aids
- Routine Eye Care (Adult)

**Your Rights to Continue Coverage:** There are agencies that can help if you want to continue your coverage after it ends. Contact the Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). Other coverage options may be available to you, too, including buying individual insurance coverage through the [Health Insurance Marketplace](#). For more information about the [Marketplace](#), visit [www.HealthCare.gov](http://www.HealthCare.gov) or call 1-800-318- 2596.

**Your Grievance and Appeals Rights:** There are agencies that can help if you have a complaint against your [plan](#) for a denial of a [claim](#). This complaint is called a [grievance](#) or [appeal](#). For more information about your rights, look at the explanation of benefits you will receive for that medical [claim](#). Your [plan](#) documents also provide complete information on how to submit a [claim](#), [appeal](#), or a [grievance](#) for any reason to your [plan](#). For more information about your rights, this notice, or assistance, contact the Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call Gravie Care® at 833.202.5930, weekdays, 8 a.m. to 5 p.m. CST.

**Does this plan provide Minimum Essential Coverage?** Yes

[Minimum Essential Coverage](#) generally includes [plans](#), [health insurance](#) available through the [Marketplace](#) or other individual market policies, Medicare, Medicaid, CHIP, TRICARE, and certain other coverage. If you are eligible for certain types of [Minimum Essential Coverage](#), you may not be eligible for the [premium tax credit](#).

**Does this plan meet the Minimum Value Standards?** Yes

If your [plan](#) doesn't meet the [Minimum Value Standards](#), you may be eligible for a [premium tax credit](#) to help you pay for a [plan](#) through the [Marketplace](#).

### Language Access Services:

**PRA Disclosure Statement:**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1146. The time required to complete this information collection is estimated to average 0.08 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

### Peg is Having a Baby

(9 months of in-network pre-natal care and a hospital delivery)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$4,250 |
| ■ <a href="#">Specialist cost sharing</a>                       | \$0     |
| ■ Hospital (facility) <a href="#">cost sharing</a>              | \$0     |
| ■ Other <a href="#">cost sharing</a>                            | \$0     |

This EXAMPLE event includes services like:

[Specialist](#) office visits (*prenatal care*)  
 Childbirth/Delivery Professional Services  
 Childbirth/Delivery Facility Services  
[Diagnostic tests](#) (*ultrasounds and blood work*)  
[Specialist](#) visit (*anesthesia*)

|                           |                 |
|---------------------------|-----------------|
| <b>Total Example Cost</b> | <b>\$12,700</b> |
|---------------------------|-----------------|

In this example, Peg would pay:

| Cost Sharing                      |                |
|-----------------------------------|----------------|
| <a href="#">Deductibles</a>       | \$4,250        |
| <a href="#">Copayments</a>        | \$0            |
| <a href="#">Coinsurance</a>       | \$0            |
| What isn't covered                |                |
| Limits or exclusions              | \$60           |
| <b>The total Peg would pay is</b> | <b>\$4,310</b> |

### Managing Joe's Type 2 Diabetes

(a year of routine in-network care of a well-controlled condition)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$4,250 |
| ■ <a href="#">Specialist cost sharing</a>                       | \$0     |
| ■ Hospital (facility) <a href="#">cost sharing</a>              | \$0     |
| ■ Other <a href="#">cost sharing</a>                            | \$0     |

This EXAMPLE event includes services like:

[Primary care physician](#) office visits (*including disease education*)  
[Diagnostic tests](#) (*blood work*)  
[Prescription drugs](#)  
[Durable medical equipment](#) (*glucose meter*)

|                           |                |
|---------------------------|----------------|
| <b>Total Example Cost</b> | <b>\$5,600</b> |
|---------------------------|----------------|

In this example, Joe would pay:

| Cost Sharing                      |                |
|-----------------------------------|----------------|
| <a href="#">Deductibles</a>       | \$4,250        |
| <a href="#">Copayments</a>        | \$0            |
| <a href="#">Coinsurance</a>       | \$0            |
| What isn't covered                |                |
| Limits or exclusions              | \$20           |
| <b>The total Joe would pay is</b> | <b>\$4,270</b> |

### Mia's Simple Fracture

(in-network emergency room visit and follow up care)

|                                                                 |         |
|-----------------------------------------------------------------|---------|
| ■ The <a href="#">plan's</a> overall <a href="#">deductible</a> | \$4,250 |
| ■ <a href="#">Specialist cost sharing</a>                       | \$0     |
| ■ Hospital (facility) <a href="#">cost sharing</a>              | \$0     |
| ■ Other <a href="#">cost sharing</a>                            | \$0     |

This EXAMPLE event includes services like:

[Emergency room care](#) (*including medical supplies*)  
[Diagnostic test](#) (*x-ray*)  
[Durable medical equipment](#) (*crutches*)  
[Rehabilitation services](#) (*physical therapy*)

|                           |                |
|---------------------------|----------------|
| <b>Total Example Cost</b> | <b>\$2,800</b> |
|---------------------------|----------------|

In this example, Mia would pay:

| Cost Sharing                      |                |
|-----------------------------------|----------------|
| <a href="#">Deductibles</a>       | \$2,400        |
| <a href="#">Copayments</a>        | \$0            |
| <a href="#">Coinsurance</a>       | \$0            |
| What isn't covered                |                |
| Limits or exclusions              | \$0            |
| <b>The total Mia would pay is</b> | <b>\$2,400</b> |

The [plan](#) would be responsible for the other costs of these EXAMPLE covered services.
