GENERAL PROVISIONS

Applicable Benefits

This Certificate may include multiple benefit options and types of benefits. You will only be covered for benefits if:

- They were previously selected in an acceptable manner and mode, such as an enrollment form or other required form; and
- We have received any required premium.

If Proof of Insurability is required, You will not be covered unless You satisfy the Proof of Insurability requirements stated in the Certificate and Schedule of Benefits.

Limitation Of Authority

Only the President, a Vice President or a Secretary of Guardian, has the authority to act for Us in a written and signed statement to:

- Determine whether any contract, Policy or Certificate is to be issued;
- Waive or alter any contract or Policy provisions, or any of Our requirements;
- Bind Us by any statement or promise relating to the contract issued or to be issued; or
- Accept any information or representation which is not in a signed application.

Agents and brokers do not have the authority to change the contract or Policy or waive any of its provisions.

Incontestability

This Certificate is incontestable after two years from its date of issue, except for non-payment of premiums.

No statement in any application, made by You, or any dependent, will be used to contest the validity of Your insurance or to deny a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during Your lifetime.

If this Certificate replaces a plan Your Employer had with another insurer, We may rescind this Certificate based on misrepresentations or omissions made by Your Employer or You in a signed application for up to two years from the Effective Date of the Policy.

In the event Your insurance is rescinded, We will refund premiums paid for the periods such insurance is void. The premium paid by You will be sent to Your last known address on file with Your Employer or Us.

Examination And Autopsy

We have the right to have a doctor of Our choice examine the person for whom a claim is being made under the Certificate as often as We feel is reasonably necessary. We also have the right to have an autopsy performed in the case of death where allowed by law. We will pay for all such examinations and autopsies.

ELIGIBILITY FOR GROUP TERM LIFE COVERAGE - EMPLOYEE COVERAGE

Conditions Of Eligibility

Subject to the conditions of eligibility set forth below, and to all of the other conditions of this Certificate, You are eligible for Group Term Life coverage if You are:

- In an eligible class of Employees;
- An active Full time Employee;
- Legally working in the United States and/or Canada or working outside of the United States for a United States based Employer in a country or region approved by Us; and
- Working at least the minimum number of hours of an Employee in Your eligible class at:
 - The Employer's place of business;
 - Some place where the Employer's business requires You to travel; or
 - Any other place You and the Employer have agreed upon for the performance of your occupational duties.

You are **not** eligible for Group Term Life coverage if You are:

- A temporary or seasonal Employee.

Enrollment Requirement If You must pay all or part of the cost of Your coverage, We will not cover You until You enroll and agree to make the required payments.

Proof Of Insurability Part or all of Your insurance amounts may be subject to proof that You are insurable. The Schedule of Benefits explains if and when We require Proof of Insurability. You will not be covered for any amount that requires such Proof of Insurability until You provide such proof to Us and We approve it in writing.

The Waiting Period If You are in an eligible class, You are eligible for Group Term Life insurance under this Certificate after You complete the service waiting period, if any, established by the Employer.

Multiple Employment If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple life insurance coverage under this Certificate. But, if this Certificate uses the amount of Your Insured Earnings to set the rates, determine class, figure insurance amounts, or for any other reason, such Insured Earnings will be figured as the sum of Your Insured Earnings from all covered Employers.

B400.3124

When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must satisfy all of the Conditions of Eligibility described above, and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your regular occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage starts. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof Of Insurability. Once We approve such Proof Of Insurability, Your coverage will start on the date we approve such coverage.

B400.3129

Exception to When Coverage Starts

Sometimes a scheduled Eligibility Date is not a regularly scheduled work day. If the scheduled Eligibility Date falls on:

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to Sickness or Injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

and if:

- You are fully capable of performing the major duties of Your regular occupation for Your Employer for the minimum number of hours of an Employee in Your eligible class at 12:01 AM Standard Time for Your place of residence on the scheduled Eligibility Date; and
- You were performing the major duties of Your regular occupation and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day;

Your coverage will start on the scheduled Eligibility Date. However, any coverage or part of coverage for which You must elect and pay all or part of the cost, will not start if You are on an approved leave, layoff or absence and such coverage or part of coverage was not previously in force for You under a prior plan which this Certificate replaced.

Any part of Your coverage which is subject to Proof Of Insurability will not start unless You send such proof to Us, and We approve it in writing. Once We have approved it, that part of Your coverage is scheduled to start on Your approved Eligibility Date.

B400.3131

Transfer Business Exception If due to sickness or injury You are not Actively at Work and not working the minimum number of hours of an Employee in Your eligible class, on Your scheduled Eligibility Date, You will be insured for this Group Term Life insurance if:

- You were insured under the Employer's prior insurer's group term life plan at the time the prior insurer's group term life plan ended and the group term life plan became effective with Us, with no break in group coverage;
- You were a member of an eligible class under the Employer's prior insurer's group term life plan and are eligible under this Certificate;
- Premiums for You were paid up to date for the Employer's prior insurer's group term life plan and this Certificate;
- Premiums are not currently being waived under the Waiver of Premium Rider, or You were not eligible, under the terms of the Employer's prior insurer's group term life plan, to have premiums waived under the Waiver of Premium provision; and
- You are not receiving or eligible to receive benefits under the Employer's prior insurer's group term life plan.

Any Group Term Life benefit payable will be the lesser of:

- The Group Term Life benefit payable under this Certificate; or
- The group term life benefit payable under the Employer's prior insurer's group term life plan had it remained in force; reduced by any amount paid by the prior insurer's group term life plan.

If You are covered under the Exception to When Coverage Starts, You will not be eligible for the Waiver of Premium Benefit provision under this Certificate until such a time You are Actively At Work as defined by this Certificate.

If You meet the conditions stated above, You will remain insured under this provision until the first of the following to occur:

- The date You are fully capable of performing the major duties of Your regular occupation for the Employer, and capable of doing so for the minimum number of hours of an Employee in Your eligible class;
- The date insurance terminates for one of the reasons stated in When Employee Coverage Ends;
- The last day of a period of 12 consecutive months which begins on this Certificate's Effective Date;

- The date You become eligible for the Waiver of Premium Benefit provision under the prior insurer's group life policy; or

B400.9079

Such travel will be considered incidental if it is for a period not to exceed 30 consecutive days.

B400.3135

CONTINUATION OF COVERAGE

ELIGIBILITY FOR GROUP TERM LIFE COVERAGE DEPENDENT COVERAGE

B400.3143

Eligible Dependents For Dependent Basic Term Life Insurance

Your eligible dependents are Your:

- Spouse and;
- dependent children from birth; and dependent children who are enrolled as full-time students at accredited schools, from age 03, until they reach age 05.

B400.3161

Adopted Children And Step-Children

Your dependent children include Your legally adopted children and Your step-children. However, to qualify as a dependent, each person must depend on You for at least 50% of their support and maintenance. We treat a child as legally adopted from the time the child is placed in Your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

B400.3200

Dependents Not Eligible

We exclude:

- A dependent who is on Active Duty in any armed force.

B400.3201

Continuing Coverage For Dependent Children Past the Limiting Age

If You have a child or children who:

- Is/are incapable of independent living by reason of a mental, physical, or developmental disability; and
- Is/are primarily dependent upon You for support and maintenance,

Then, the child or children may remain eligible for dependent benefits past the age limit provided all the conditions shown below are satisfied.

Each such child:

- Must have a mental, physical, or developmental disability that began before he or she reached the dependent age limit;
- Became covered by this Certificate, or the prior carrier's group life policy that it replaced, before he or she reached the dependent age limit, and remained continuously covered until he or she reached the age limit;
- Remains:
 - Incapable of independent living; and
 - Dependent upon You for most of his or her support and maintenance; and

You must send Us written proof, and we must approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the dependent age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic proof that the child's condition continues, but We cannot ask for this proof more than once a year.

Irrespective of this provision, any coverage provided under this section ends when Your coverage ends.

B400.3202

Proof Of Insurability

Part or all of Your dependent insurance amounts may be subject to proof that they are insurable. The Schedule of Benefits explains if and when We require Proof of Insurability. Your dependents will not be covered for any amount that requires Proof of Insurability until You provide that proof to Us and We approve that proof in writing.

B400.3203

When Dependent Coverage Starts

In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception shown below and to all of the other terms of this Certificate, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

Initial Dependents If You enroll Your Initial Dependents on or before Your Eligibility Date, the dependents' coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You enroll Your Initial Dependents within the Enrollment Period, their coverage begins on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do not enroll Your Initial Dependents when they are first eligible, and enroll those Initial Dependents after the Enrollment Period ends, You must supply Proof Of Insurability and coverage will not start until We approve that proof in writing.

If an Initial Dependent becomes eligible after this Certificate's Effective Date, his or her coverage will start on the date We approve him or her for coverage.

**If Dependent Proof
of Insurability is
required**

Subject to the Exception shown below, if Proof Of Insurability is required for dependent benefits, You must send Us the proof We require, and We must approve that proof in writing. Those benefits will then begin on the approved Eligibility Date.

If You must pay part of the cost of dependent coverage, We will not cover You for such coverage until You enroll each of Your dependents, agree to make the required payments, submit Proof Of Insurability and We approve that proof in writing.

**Newly Acquired
Dependents**

If You do not pay any part of the cost of dependent coverage, a Newly Acquired Dependent is covered from the date he or she first becomes eligible.

If You must pay part of the cost of dependent coverage, and are already enrolled for dependent child coverage for Your Initial Dependent children, any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

However, if You were previously eligible to enroll for dependent child coverage and waived coverage or failed to enroll, We will not cover any of Your dependent children until You submit Proof of Insurability and we approve that proof in writing and you make any additional required payments.

B400.3204

Exception

We will postpone the Eligibility Date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is unable to perform two or more Activities of Daily Living (ADLs).

In that case, We will postpone the Eligibility Date of his or her coverage until the day after the date he or she no longer requires assistance with two or more Activities of Daily Living.

If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B400.3206

When Dependent Coverage Ends

Dependent coverage ends for all of Your dependents when:

- Your Employee coverage ends;
- You stop being a member of a class of Employees eligible for such coverage;
- This Certificate ends; or

- Dependent coverage is discontinued from this Certificate for all Employees or for Your class.

If You are required to pay part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an eligible dependent. For dependent children the coverage ends at 12:01 A.M. Standard Time for Your place of residence on the date the child attains this Certificate's age limit, or when a step-child is no longer dependent on You for at least 50% of their support and maintenance, or for Your disabled child who has reached the age limit, when he or she is no longer eligible under the Continuing Coverage for Dependent Children Past the Limiting Age provision.

Coverage ends for a Spouse when a marriage is lawfully terminated.

Read this Certificate carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And, they may have the right to replace certain group benefits with converted policies.

B400.3207

The Beneficiary You decide who receives this benefit when You die. Your beneficiary designation should be provided in a means acceptable by Us.

You can change Your beneficiary at any time by providing written notice; unless You have assigned this insurance. But, the change will not take effect until We or the Employer records the change.

We will not be liable for any amounts paid before receiving notice of a beneficiary change.

In no event may a beneficiary be changed by a Power of Attorney.

If You named more than one person as a primary beneficiary, but You do not specify what shares each such primary beneficiary is entitled to receive, We will divide the benefits equally among all such named primary beneficiaries who survive You. If someone You named as a primary beneficiary dies before You, that person's share will be divided equally by the primary beneficiaries still alive; unless You have specified otherwise.

If You have named a contingent beneficiary or contingent beneficiaries, We will pay Your contingent beneficiary or contingent beneficiaries, if no primary beneficiary survives You. If there is more than one contingent beneficiary who is eligible for benefits, We will divide the benefits equally among all such named contingent beneficiaries who survive You; unless You have specified otherwise.

- If Your Spouse does not survive You, then to Your children who survive You in equal shares;
- If no Spouse or children survive You, then to Your parents who survive You in equal shares;
- If no Spouse, children, or parents survive You, then to Your brothers and sisters in equal shares;
- If none of the above parties survive You, then to Your executors or administrators of Your estate.

Assigning This Life Insurance If You assign this insurance, You permanently transfer all Your rights under this insurance to the assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- The assignment is in writing and signed by You; and
- A signed or certified copy of the written assignment has been received and approved by Us in writing.

Unless otherwise specified by You, the assignment shall take effect on the date the notice of assignment is signed by You, subject to any payments made or actions taken by Us prior to receipt of the notice.

We are not responsible for any legal, tax, or other effects of any assignment, or for any benefits We pay under this Certificate before We receive and approve any assignment.

We suggest You speak to Your lawyer before You make any assignment.

Payment Of Funeral Expenses We have the option of paying up to \$500 of this benefit to any person who incurred expenses for Your funeral.

Repatriation Benefit We will pay an extra sum for covered loss of life which occurs at least 75 miles from Your home. In that case, We will reimburse up to \$5,000 to any person who incurred expenses to prepare and transport Your body to a mortuary chosen by You or an authorized agent. The total repatriation benefit payable under Your life and AD&D contracts will not exceed \$5,000.

B400.3212

CONVERTING THIS EMPLOYEE BASIC TERM LIFE INSURANCE

If Employment Or Eligibility Ends

Your group life insurance ends on the date:

- Your active Full-Time employment ends; or
- You stop being a member of an eligible class.

If Your group life insurance ends, Your Employer is responsible for providing You Notice of Your Right to Convert.

If You are not Totally Disabled, You can apply to convert Your Employee group basic life insurance to a permanent life insurance policy.

You can apply to convert up to the full amount of basic life insurance for which You were insured under this Certificate on the date Your insurance ended, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If This Certificate Ends Or Group Life Insurance Is Discontinued

Your group life insurance also ends:

- If this Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class.

If Your group life insurance ends for either of these reasons, You may apply to convert Your Employee group basic life insurance to a Converted Policy.

You can apply to convert to a permanent life insurance policy, if

- You are not Totally Disabled; and
- You have been insured by a Guardian group life insurance plan or a group plan it replaces for at least five consecutive years.

However, the amount of life insurance that You can convert in either scenario is limited to the lesser of:

- \$2,000, or
- The amount of Your basic life insurance under this Certificate, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

If You Are Totally Disabled

Your group life insurance ends on the date:

- Your active Full-Time employment ends;
- You stop being a member of an eligible class;
- This Certificate ends; or
- Life insurance is discontinued from this Certificate for all Employees or for Your class;

and

- You are Totally Disabled; and
- You are eligible for Waiver of Premium Benefits pursuant to the Waiver of Premium Benefit Rider, but You have not yet been approved for the Waiver of Premium of Benefit,

You can apply to convert Your group term life insurance to:

- A permanent life insurance policy; or
- Interim term life insurance coverage.

You can apply to convert up to the full amount of basic life insurance for which You are insured under this Certificate on the date Your insurance ends, less any group life insurance for which You become eligible in the 31 days after Your insurance under this Certificate ends.

However, if You have coverage under this Certificate's Exception to When Employee Coverage Starts, You may not convert if You are eligible or could become eligible under the prior plan's waiver of premium provision.

If You have converted and are later approved for this Certificate's Waiver of Premium Benefit, the Converted Policy will be cancelled as of the date You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit.

Interim Term Life Insurance

You may choose to apply to convert to interim term life insurance coverage if:

- You are Totally Disabled; and
- You may be eligible for Waiver of Premium Benefits based upon Your age, but You have not yet been approved for the Waiver of Premium Benefit.

If interim term life insurance coverage is issued to You, it can remain in force for up to one year from the date the interim term life insurance coverage goes into force and effect.

If You are approved for this Certificate's basic Waiver of Premium Benefit during this year, the interim term life insurance coverage will be cancelled as of the date that You are approved for the Waiver of Premium Benefit. In this instance, Your coverage under this Certificate will continue subject to its terms, provided You remain eligible for the Waiver of Premium Benefit. If You have not been approved for this Certificate's basic Waiver of Premium Benefit, the interim term life insurance coverage will end exactly one year from the first day said coverage goes into force and effect, and Your life insurance will be converted to a permanent life insurance policy. Premiums for the permanent life insurance policy will be based on Your age as of the date You convert from the interim term life insurance coverage.

If You are Totally Disabled, but You are not eligible for the Waiver of Premium Benefit based on Your age, You can apply to convert to a permanent life insurance policy.

How and When to Convert To obtain a Converted Policy, We must receive a written application fully completed by You, and all required premiums within the Conversion Period. Your Employer is responsible for providing You with Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. We will not ask for proof that You are insurable. In order to obtain a Converted Policy, You must satisfy all conditions required to convert within the Conversion Period.

Coverage will begin under the Converted Policy when We receive:

- A written application fully completed by You; and
- All required premiums during the Conversion Period.

Death During The Conversion Period We will pay a death benefit equal to the amount of life insurance that could have been converted if:

- You die within the Conversion Period; and
- But for Your death, You would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to the beneficiary You designate under the group Certificate. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

- Your active Full-Time employment ends;
- You stop being a member of an eligible class; or
- Your group life insurance is continued under the Waiver of Premium Benefit Provision; or
- You die.

Dependent term life insurance also ends when You stop being a member of a class of Employees eligible for dependent term life insurance.

If Dependent Life Insurance ends for any of the above reasons any dependent who was insured under this Certificate may apply to convert all or part of the amount for which he or she was insured on the day before insurance ended. Your Employer is responsible for notifying You or Your dependents of any conversion options available.

Your dependent may apply to convert up to the full amount of basic life insurance for which he or she was insured under this Certificate on the date his or her insurance ended to a permanent life insurance policy.

If This Certificate Ends Or Group Life Insurance Is Discontinued

Dependent term life insurance also ends for all of Your dependents:

- If this Certificate ends; or
- Dependent life insurance is discontinued from this Certificate for all Employees or for Your class.

If Dependent term life insurance ends for either of these reasons, and any of Your dependents have been insured by a Guardian Group plan, or a group plan it replaces, for at least five consecutive years, each such dependent may apply to convert to a permanent life insurance policy.

However the amount that he or she can convert in either scenario is limited to the lesser of:

- \$2,000; or
- The amount of Your dependent's life insurance under this Certificate, less any group life insurance for which Your dependent becomes eligible in the 31 days after dependent life insurance under this Certificate ends.

If A Dependent Stops Being Eligible

A dependent's term life insurance ends when he or she stops being an eligible dependent. A Spouse is no longer an eligible dependent when:

- A marriage is lawfully terminated.

A child is no longer an eligible dependent when he or she:

- Reaches the limiting age.

If a dependent stops being eligible, he or she may convert all or part of the amount for which he or she was insured on the day before insurance ended to a permanent life insurance policy.

B400.3254

How And When to Convert To obtain a Converted Policy, We must receive a written application fully completed by You or Your dependent, and all required premiums within the Conversion Period. Your Employer is responsible for providing You and Your dependents with written Notice of Your Right to Convert within 15 days of the date Your group life insurance ends. You will have 31 days after Your dependent group basic life insurance ends to convert. We will not ask for proof that he or she is insurable. If the dependent is a minor or incompetent, the person who cares for and supports the dependent may apply for him or her.

Death During The Conversion Period We will pay a death benefit equal to the amount of dependent life insurance that could have been converted if:

- Your dependent dies within the Conversion Period; and
- But for his or her death, Your dependent would have been entitled to purchase a Converted Policy; and
- We receive Proof of Loss.

Any benefit payable under the group Certificate will be paid to you. However, if the Converted Policy has already taken effect, any benefit payable under the Converted Policy will be paid to the beneficiary You or Your dependent designated for the individual life insurance on the application for conversion. Under no circumstances will a benefit be paid under both the group Certificate and the Converted Policy.

SUPPLEMENTAL RIDER - Waiver of Premium Benefit

This Rider is effective as of the effective date of the Employee's Certificate. If this Rider is added to an inforce Certificate, the Rider becomes effective on its issue date. This Rider amends the Certificate by the addition of the following:

Employee Basic Term Life Insurance Waiver Of Premium Benefit

Important Notice This rider applies to Your Basic term life insurance. It does not apply to any of Your dependent life insurance under the Certificate. To continue dependent life insurance, You must convert Your dependent coverage. See "Converting This Dependent Term Life Insurance" for details.

If You Are Disabled If You are Totally Disabled, and meet the requirements in "How And When To Apply," We will extend Your Basic life insurance without payment of premiums from You or the Employer in an amount equal to the amount of Basic life insurance for which You are insured on Your last day of Active Work.

How And When To Apply To apply for this benefit, You must submit, while living, written medical proof of Your Total Disability satisfactory to Us within one year of the start of that disability. Any claim filed after one year from the start of Total Disability will be denied, unless We receive written proof that:

- You lacked the legal capacity to file the claim; or
- It was not reasonably possible for You to file the claim within the required period of time.

To be approved for this benefit, You must:

- Become Totally Disabled before You reach age 60 and while insured by the Certificate; and
- Remain Totally Disabled for at least 9 months in a row.

You should apply for this benefit immediately at the start of Your Total Disability.

Continued Proof For Waiver of Premium Benefit We may require written proof that You remain Totally Disabled and receive regular Doctor's care to maintain this benefit. This proof must be given to Us within 30 days of the date We request it.

We can also require that You take part in a medical assessment by a medical professional of Our choice as often as We feel is reasonably necessary during the first 2 years We have waived Your life insurance premiums pursuant to the Rider. After 2 years, We cannot have You examined more than once a year.

Until You Have Been Approved For This Benefit If Your life insurance under the Certificate ends after You have become Totally Disabled and applied for Waiver of Premium Benefits, but before We have approved You for this benefit, You may:

- Continue to pay your group premium payments, including any part which would have been paid by the Employer, until You are approved or declined for this benefit; or
- Apply to convert to an individual permanent or term life insurance policy.

Please read "Converting This Employee Basic Term Life Insurance" for details on how to convert.

Converting Your life insurance does not stop You from claiming Your rights under this section. But, if You apply to convert and obtain a policy, and We later approve You for this benefit, We will cancel the converted policy on the date We approve You for this Benefit. See "Converting This Employee Basic Term Life Insurance" for details on how We do this. Once You are approved for this benefit, Your insurance under the Certificate will be reinstated at no further cost to You or the Employer.

If You are declined for the Waiver of Premium benefit, You will have the option to apply to convert to an individual permanent or term life insurance policy. If You do not convert within 31 days of the date You are declined for the Waiver of Premium benefit, and You have not returned to Active Work, Your coverage will end.

If the Certificate terminates before You are approved

If this group Certificate terminates and You are Totally Disabled and eligible, but not yet approved, for this Waiver of Premium benefit, You must apply to convert to an individual permanent or term policy, and remain insured under such policy until You are approved by Us for the Waiver of Premium benefit.

When This Waiver Begins

Once approved by Us, Your Waiver of Premium benefit will be effective on the date following the day You have been Totally Disabled for 9 months in a row.

When This Waiver Ends

Your Waiver of Premium benefit will end on the earliest of:

- The date You are no longer Totally Disabled;
- The date We ask You to be examined by Our Doctor, and You refuse;
- The date You do not give Us the proof of Total Disability We require;
- the date you have been out of the United States and/or Canada or a country or region approved by Us for more than 2 months in a 12 month period;
- The date You are no longer receiving regular Doctor's care appropriate to the cause of Your claimed Total Disability;
- The day before the date You reach age 65.

If Your Waiver of Premium Benefit ends and You do not return to Active Work, You will have the option to convert the Employee Basic life insurance that was in effect on the date the Waiver of Premium Benefit ends.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group term life insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Life Insurance Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

Timing for Initial Benefit Determination of Life Insurance Claims

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit
Determination of
Life Insurance
Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures; and
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination.

B997.0339

**Appeals of Adverse
Determinations of
Life Insurance
Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits; and
- Provide a statement describing any voluntary appeal procedures offered by the Plan, the claimant's right to obtain information about such procedures, and a statement that the claimant's right to bring an action under ERISA section 502(a).

Waiver of Premium If you apply for an extension of life insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination

If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

B997.0340

Appeals of Adverse Determinations for Waiver of Premium

If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;

- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.

ELIGIBILITY FOR ACCIDENTAL DEATH AND DISMEMBERMENT COVERAGE EMPLOYEE COVERAGE

Conditions Of Eligibility

Subject to the conditions of eligibility set forth below, and to all of the other conditions of this Certificate, You are eligible for Accidental Death and Dismemberment coverage if You are

- In an eligible class of Employees;
- Legally working in the United States and/or Canada or working outside of the United States for a United States based Employer in a country or region approved by Us;

and

- Working Full-Time (17.5 hours or more) at: at least the minimum number of hours of an Employee in Your eligible class at:
 - The Employer's place of business;
 - Some place where the Employer's business requires You to travel; or

You are **not** eligible for Accidental Death and Dismemberment coverage if You are

Multiple Employment If You work for both the Employer and a covered associated company, or for more than one covered associated company, We will treat You as if only one firm employs You. You will not have multiple Accidental Death and Dismemberment Coverage under this Certificate. But, if this Certificate uses the amount of Your Insured Earnings to set the rates, determine class, figure insurance amounts, or for any other reason, such Insured Earnings will be figured as the sum of Your Insured Earnings from all covered Employers.

B400.4999

When Coverage Starts

For coverage to start, You must be fully capable of performing the major duties of Your regular occupation for the Employer and working the minimum required number of hours of an Employee in Your eligible class at 12:01 A.M. Standard Time for Your place of residence on Your scheduled Eligibility Date. And, for coverage to start, You must satisfy all of the Conditions of Eligibility described above, and the conditions shown below which apply to You. If You are not fully capable of performing the major duties of Your regular occupation on Your scheduled Eligibility Date, We will postpone the start of Your coverage until You are so capable and working the minimum required number of hours of an Employee in Your eligible class for one full day, with the capacity to do so for one full week.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not start until You send Us Proof Of Insurability. Once We approve such Proof Of Insurability, Your coverage will start on the date we approve such coverage.

- A holiday;
- A vacation day;
- A non-scheduled work day;
- A day during an approved leave of absence not due to sickness or injury, of 90 days or less; or
- A day during a period of absence that is less than 7 days in duration;

- You were performing the major duties of Your regular occupation and working the minimum number of hours of an Employee in Your eligible class on Your last regularly scheduled work day;

- The accidental death and dismemberment benefit payable under the Employer's prior insurer's group accidental death and dismemberment plan had it remained in force; reduced by any amount paid by the prior insurer's group accidental death and dismemberment plan.

If You are covered under the Exception to When Coverage Starts, You will not be eligible for the Waiver of Premium Benefit provision under this Certificate until such a time You are Actively At Work as defined by this Certificate.

Proof of Insurability Depending on the coverage selected, or as otherwise required in this Certificate, You, Your Spouse and/or Dependents may be required to supply proof that the person applying for coverage is insurable for the amount and type of coverage selected. This requirement is called Proof of Insurability. For purposes of this section, any person applying for coverage requiring Proof of Insurability is referred to as "Applicant."

To determine if the Applicant is required to submit Proof of Insurability for the type and amount of coverage sought, please see below.

Any applicant required to submit Proof of Insurability is required to complete and submit to Us an Enrollment/Change form. We may also require the completion of additional forms so that We may determine whether the Applicant is insurable, according to Our underwriting standards for the amount and type of coverage applied for. To determine if the Applicant is insurable, We may also need to obtain and review the Applicant's health and medical history; prescription history; records relating to treatment, diagnostic testing, hospitalization and the like; and records pertaining to Applicant's driving and motor vehicle history.

No coverage requiring Proof of Insurability will become effective unless and until it is approved by Us in writing. Our receipt of any premiums associated with coverage requiring Proof of Insurability does not waive or modify any requirement that must be satisfied for coverage to begin, including but not limited to the requirement that the Applicant submit Proof of Insurability. In the event that any premiums are overpaid, Our only obligation is to return the amount of overpaid premiums.

The Policyholder, or its designee, must give Us complete and accurate information so that we may determine:

- Who is insured;
- The type and amount of coverage for which someone is insured; and
- Any other information required so that Guardian may meet its obligations under the Policy.

- Enroll after You previously had coverage which ended because You failed to make a required payment,

We will require that You provide Proof Of Insurability. And, You will not be covered until We approve that proof in writing.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

10 Hudson Yards
New York, New York 10001
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance with
Questions**

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Accidental Death
and
Dismemberment
Insurance Claims
Procedure**

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions

"Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

**Timing for Initial
Benefit
Determination of
Accidental Death
and
Dismemberment
Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit
Determination of
Accidental Death
and
Dismemberment
Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement, that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

B997.0342

**Appeals of Adverse
Determinations of
Accidental Death
and
Dismemberment
Insurance Claims**

If a claim is wholly or partially denied, you will have up to 60 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;

- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Waiver of Premium If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim for an extension of benefits is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the adverse determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information needed to perfect the claim, and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;

- A statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you and vocational professionals who evaluated you;
- If applicable, an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination; and
- In the case of adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeals of Adverse Determinations for Waiver of Premium

If a claim for Waiver of Premium is denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- In deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;

- Identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the adverse determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an adverse benefit determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonably access to, and copies of all documents, records, and other information relevant to the claimant's claim for benefits;
- Provide a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse benefit determination (or a statement that such information will be provided free of charge upon request); or a statement that no internal rule, guideline, protocol or similar criterion was relied upon in making the adverse benefit determination;
- If applicable, provide an explanation of the basis of disagreement with or not following the views presented by you, of health care professionals who treated you, and vocational professionals who evaluated you;
- If applicable, provide an explanation of the basis for disagreeing with or not following the views of any medical or vocational expert whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the determination;
- If applicable, provide an explanation of the basis for disagreeing with or not following a disability determination made by the Social Security Administration that you present to us;

- Provide a statement describing the claimant's right to bring a civil suit under Section 502(a) of the Employee Retirement Income Security Act of 1974 which shall also describe any applicable contractual limitations period that applies the claimant's right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim, and;
- In the event the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, provide either an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

In addition to any legal rights you may have under section 502(a), if you believe that we have violated ERISA's procedural requirements, you may request that we review any claimed violation(s) and we will respond to you within ten days.
