- In any other case, the end of a total leave period of 12 weeks in any 12 month period.

ELIGIBILITY FOR CANCER COVERAGE - DEPENDENT COVERAGE

Eligible Dependents For Dependent Cancer Coverage

Your eligible dependents are Your: (1) spouse; and (2) unmarried dependent children from birth who are under age 26.

Adopted Children And Step-Children

Your "dependent children" include Your newborn children, legally adopted children and Your step-children. But, Your step-children must depend on You for most of their support and maintenance. We treat a child as legally adopted from the time the child is placed in Your home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

Dependents Not Eligible

We exclude any dependent who is on active duty in any armed force. And, We exclude any dependent who is covered by this Plan as an Employee. Upon notice of entry into service, pro rata unearned premiums will be refunded.

A child may be an eligible dependent of more than one Employee who is insured under this Plan. In that case, the child may be insured for dependent Cancer benefits by only one Employee at a time.

Handicapped Children

You may have a child who is: (a) incapable of self-sustaining employment by reason of a mental or physical handicap or developmental disability; and (b) chiefly dependent upon You for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent Cancer benefits before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she is unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon You for most of his or her support and maintenance.

- You send Us written Proof, and We approve such Proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, We can ask for periodic Proof that the child's condition continues, but We cannot ask for this Proof more than once a year.

The child's coverage ends when Your coverage ends.

Proof Of Insurability

We require that You answer insurability questions with respect to Your dependents. The answers to these questions will determine whether or not Your dependents will be covered by this Plan.

B047.0186

When Dependent Coverage Starts

When Dependent Coverage Starts In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this Plan, the date Your dependent coverage starts depends on when You elect to enroll Your Initial Dependents and agree to make any required payments.

If You do this on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for Employee coverage.

If You do this within the Enrollment Period, the coverage is scheduled to start on the later of the 1st day of the month which coincides with or next follows the date You sign the enrollment form and the date You become covered for Employee coverage.

If You do this after the Enrollment Period ends, the coverage is scheduled to start the later of the 1st day of the month which coincides with or next follows the date You sign the enrollment form.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible.

Exception We will postpone the effective date of a dependent's, other than a newborn child's, coverage if, on that date, he or she is: (1) confined to a Hospital or other health care facility; (2) home confined; or (3) unable to perform two or more Activities of Daily Living. In that case, We will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility; (b) his or her home confinement ends; or (c) he or she is no longer requires assistance with two or more Activities of Daily Living. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

B020.1042

When Dependent Coverage Ends

When Dependent Coverage Ends Dependent coverage ends for all of Your dependents when Your Employee coverage ends. Dependent coverage also ends for all of Your dependents when You stop being a member of a class of Employees eligible for such coverage. And, it ends when this Plan ends, or when dependent coverage is dropped from this Plan for all Employees or for Your class.

If You are required to pay all or part of the cost of dependent coverage, and You fail to do so, Your dependent coverage ends. It ends on the last day of the period for which You made the required payments, unless coverage ends earlier for other reasons.

Your dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Plan's age limit or for Your handicapped child who has reached the age limit, when he or she marries or is no longer dependent on You for support and maintenance. It happens to a spouse: (1) when a marriage ends in legal divorce or annulment.

B020.1055

Limitations

Proof Of Insurability	The Covered Person's coverage may not become effective until he or she submits Proof Of Insurability to Us. These requirements are shown in the schedule of insurance.
Pre-Existing Conditions	A Pre-Existing Condition is a Cancer, whether Diagnosed or misdiagnosed, for which in the 3 months before a person becomes covered by this Plan, he or she: (1) received advice or treatment from a Doctor; (2) underwent diagnostic procedures; (3) was prescribed or took prescription drugs; or (4) received other medical care or treatment, including consultation with a Doctor.

This Plan will not pay benefits for Cancer that is caused by, or results from, a Pre-Existing Condition if the Cancer occurs during the first 12 months that the person is covered by this Plan.

**If This Plan
Replaces Another
Plan**

This Plan may be replacing a similar plan that the Employer had with some other insurer. In that case, the Pre-Existing Condition Limitation will not apply to any Covered Person who: (1) was covered under the Employer's old plan on the day before this Plan started; and (2) has met the requirements of any Pre-Existing Condition Limitation of the old plan; and (3) is Actively At Work on A Full-Time Basis on the effective date of this Plan.

If the Covered Person: (1) was covered under the old plan when it ended; (2) enrolls for insurance under this Plan on or before this Plan's effective date; and (3) is Actively Working on the effective date of this Plan; but(4) has not fulfilled the requirements of any Pre-Existing Condition provision of the old plan; this Plan will credit any time used to meet the old plan's Pre-Existing Condition provision toward meeting this Plan's Pre-Existing Condition provision

But, this Plan limits a Covered Person's benefit under this Plan if: (1) the Cancer is a Pre-Existing Condition; and (2) this Plan pays benefit because this Plan credits time as explained above. In this case, this Plan limits the benefit to the amount the Covered Person would have been entitled to under the old plan.

This Plan deducts all payments made by the old plan under an extension provision.

B047.0194

We don't pay this benefit if the diagnosis was made solely outside of the United States or Canada.

Benefit Waiting Period This plan has a Benefit Waiting Period. It is 30 days. This period starts on the date a Covered Person is first covered by this Plan. We do not pay an initial Diagnosis benefit for Cancer that is Diagnosed during the Benefit Waiting Period.

If this Plan replaces a similar plan the Employer had with some other insurer, the Benefit Waiting Period under this Plan will be waived if for any Covered Person who was covered under the Employer's old plan on the day before this Plan starts and is covered by this Plan on the day it starts.

As used in this rider, Benefit Waiting Period means the period of time a Covered Person must be covered under this Plan before we pay an Initial Diagnosis Benefit.

CERTIFICATE AMENDMENT - ELIGIBILITY FOR CANCER COVERAGE

Effective on the latter of (i) the original effective date of the Certificate; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends this Plan by replacing the following:

Conditions of Eligibility

Proof of Insurability Part or all of Your insurance amounts may be subject to Proof of Insurability.

If You enroll within 31 days after Your Eligibility Date, coverage is scheduled to start on Your Eligibility Date.

If You do not enroll for this coverage within 31 days of Your Eligibility Date, You must answer health questions, or wait until the next scheduled group enrollment period. Once each year, during the group enrollment period, You may elect to enroll in this coverage as offered by the Employee. As used here, "group enrollment period" means an annual open enrollment period set by the Employer and agreed to by Us. If You elect to enroll outside of the group open enrollment period, You must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

When Proof of Insurability is required, You and Your dependents will not be covered for any amount that requires such Proof of Insurability until You provide it to Us, We approve it in writing, and notify You of Your effective date of coverage.

When Employee Coverage Starts Your Eligibility Date is the date You have met all of the conditions of eligibility.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability or until You enroll during the next group enrollment period. If Proof of Insurability is required, You will not be covered by this Plan until We approve that Proof of Insurability in writing and notify You of Your effective date of coverage.

If Your active service ends before You meet any Proof of Insurability requirements that apply, You will still have to meet those requirements if You are later re-employed by the employer or an associated company.

On the date all or part of Your coverage is scheduled to start, You must be: (1) Actively at work; (2) fully capable of performing the major duties of Your regular occupation; and (3) working Your regular number of hours. In that case, Your coverage will start at 12:01 A.M. Standard Time for Your place of residence on that date. In any other case, We will postpone the start of Your coverage until the date You: (a) return to Active Work; (b) are working Your regular number of hours; and (c) are fully capable of performing the major duties of Your regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) You were fully capable of performing the major duties of Your regular occupation for the employer on a full-time basis at 12:01 AM Standard Time for Your place of residence on the scheduled effective date; and (b) You were performing the major duties of Your regular occupation and working Your regular number of hours on Your last regularly scheduled work day; Your coverage will start on the scheduled effective date.

DEPENDENT COVERAGE

Proof of Insurability Part or all of Your Initial Dependent's insurance amounts may be subject to Proof of Insurability.

If You enroll Your Initial Dependents within 31 days after Your eligibility date, coverage is scheduled to start on Your eligibility date.

If You do not enroll for Initial Dependent coverage within 31 days of Your Eligibility Date, Your Initial Dependents must answer health questions, or wait until the next scheduled group enrollment period to enroll. Once each year, during the group enrollment period, You may elect to enroll Initial Dependents in this coverage as offered by the Employer. As used here, "group enrollment period" means an annual open enrollment period set by the Employer and agreed to by Us. If You elect to enroll Your Initial Dependents outside of the group open enrollment period, You must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

When Proof of Insurability is required, Your Initial Dependents will not be covered for any amount that requires such Proof of Insurability until You give the Proof of Insurability to Us, We approve it in writing, and notify You of Your effective date of coverage.

In the case of a Newly Acquired Dependent, other than the first newborn child, You may elect to enroll a Newly Acquired Dependent within 31 days. If You do not elect to enroll a Newly Acquired Dependent within 31 days of his or her Eligibility Date, Your Newly Acquired Dependent(s) may have to answer health questions, or wait until the next scheduled group enrollment period to enroll.

If Your dependent coverage ends for any reason, including failure to make the required payments, Your dependent will not be covered by this Plan again until You give Us new Proof of Insurability that they are insurable and We approve that Proof of Insurability in writing, or wait until the next group enrollment period.

When Dependent Coverage Starts In order for Your dependent coverage to start, You must already be covered for Employee coverage, or enroll for Employee and dependent coverage at the same time.

If You enroll Your dependents on or before Your Eligibility Date, the dependent's coverage is scheduled to start on the later of Your Eligibility Date and the date You become covered for employee coverage.

If You do this within the group enrollment period, the coverage is scheduled to start on the date You become covered for employee coverage.

If You do this after the group enrollment period ends, Your dependent coverage may be subject to Proof of Insurability and will not start until We approve that Proof of Insurability in writing.

Once You have dependent child coverage for Your Initial Dependent child(ren) any Newly Acquired Dependent children will be covered as of the date he or she is first eligible. Coverage for a newborn child shall be provided without notice or additional premium for 60 days after the date of birth. If payment of a specific premium or subscription fee is required to continue coverage beyond the 60-day period, You will receive notification of the required premium or fees within a period of not less than 60 days after the date of birth.

Whether You must pay all or part of the cost of Your coverage, You must elect to enroll and agree to make the required payments before Your coverage will start. If You do this on or before Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You do this within 31 days after Your Eligibility Date, Your coverage is scheduled to start on Your Eligibility Date. If You elect to enroll and agree to make the required payments more than 31 days after Your Eligibility Date, Your coverage will not be scheduled to start until You send Us Proof of Insurability or until you enroll during the next group enrollment period. If Proof of Insurability is required, You will not be covered by this Plan until We approve that Proof of Insurability in writing and notify You of Your effective date of coverage.

If Proof of Insurability is required for dependent benefits as explained above, those benefits will not be scheduled to start until You give Us Proof of Insurability that the dependent is insurable. Once We have approved that Proof of Insurability, those benefits will be scheduled to start on the effective date shown in the endorsement section of Your application.

This rider is part of the Policy. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this Policy.

The following notice applies if your plan is governed by the Employee Retirement Income Security Act of 1974 and its amendments. This notice is not part of the Guardian plan of insurance or any employer funded benefits, not insured by Guardian.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Statement of Erisa Rights (Cont.)

Enforcement Of Your Rights If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit.

"Group Health Benefits" means any accident, cancer, critical illness, specified disease or hospital indemnity coverages which are a part of this plan.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;

Group Health Benefits Claims Procedure (Cont.)

- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;
- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

Group Health Benefits Claims Procedure (Cont.)

Claims. Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse benefit determination.

**Alternative Dispute
Options**

The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
