SUMMARY OF PLAN LIMITATIONS AND EXCLUSIONS:

Not available for employees in restricted industries. See Restricted Industry Listing for Group Disability available through Kennion.

We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane, and for the voluntary inhalation or ingestion of poison, gas, solvent, chemical, or other substance not intended for internal consumption

We do not pay benefits due solely to the risk of relapse, during any period in which a covered person is confined to a correctional facility, an employee is not under the care of a doctor, an employee is receiving treatment outside of the US or Canada, and the employee's loss of earnings is not solely due to disability.

During the exclusion/limitation period, this disability plan does not pay charges relating to a pre-existing condition. A pre-existing condition includes any condition for which an employee, in a specified period of time prior to coverage in this plan, consults with a physician, receives treatment, or takes prescribed drugs. If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Carrier pre-existing condition exclusion /limitation period. Please refer to the plan details for specific time periods. Contract # GP-1-STD-15-1.0 et al. (Disability 2016)

In order to be eligible for coverage; employees must be legally working (a) in the United States or (b) outside the United States, for a US based employer in a country or region approved by Carrier.

This policy provides disability income insurance only. It does not provide "basic hospital," "basic medical," or "major medical" insurance as defined by the New York State Insurance Department.

Evidence of Insurability is required for all late enrollees.
