

A LOOK AHEAD FOR KENNION CLIENTS

More Options. Smarter, Faster Decisions.

A first look at what's ahead for your January 1 renewal — and the new platform built to make choosing your group's benefits strategy easier than ever.

50+

Years serving employers with trusted, expert benefits advice

2013

The Kennion Program launches, setting a new standard

2027

The program expands with major national partners

Same Kennion Team

The people you trust, still right beside you, every step of your renewal.

More Options

Additional national carriers, networks and programs, shopped on your behalf.

Better Technology

A new platform that makes comparing and choosing your benefits simple.

Unprecedented Choice For Your Group

As the program has grown and clients have asked for more choice, flexibility and better technology, Kennion is expanding its group health offering through major national partners, broader provider networks and expanded programs — all backed by the same Kennion team you already know.

HOW YOUR RENEWAL WILL WORK

1

Review Medical Options

See every medical option Kennion obtained for your January 1 effective date, priced at your group's own enrollment.

2

Review Supplemental Benefits

Explore dental, vision, life and other supplemental options alongside your medical plans.

3

Build Your Strategy

Work with your Kennion team and the BenSync AI Assistant to compare plans, model contributions and narrow down what makes sense for your group.

4

Sign Up

Confirm the plans and benefits you want to offer for the new plan year — and send updates anytime before your decision is due.

MEET BENSYNC

Expert Brokerage Meets AI-Powered Technology

BenSync is Kennion's new benefits decision platform — one simple place to review, model and finalize your group's strategy.

Easier Renewals

Every option, organized in one place.

Faster Decisions

Compare and model in minutes, not weeks.

Total Clarity

See exactly what each option means for your group.

GUIDED BY AI. BACKED BY YOUR TEAM.

Kennion Shops The Market

Our team negotiates with major carriers and gathers every option for your group.

You Review In BenSync

See every option clearly, side by side, at your own pace.

We Build Strategy Together

Your Kennion team helps translate the options into the right plan for your people.

We Handle The Rest

Once your selections are finalized, Kennion coordinates everything that comes next:

- ✓ Employee Navigator setup
- ✓ Carrier implementation
- ✓ Employee communications
- ✓ Open enrollment & enrollment support
- ✓ Final enrollment & first-month premium setup

THE BOTTOM LINE

We help you build the right strategy. Then we handle the rest.

Same trusted advice. More options than ever. A platform built to make it all make sense.

WORTH REPEATING

More national partners. More provider networks. The same Kennion team — now with more to offer than ever.

WHAT'S NEXT

Your Kennion account team will be reaching out soon with your group's personalized 2027 options inside BenSync. Questions in the meantime? We're always just a call or email away.

We Can't Wait To Show You
