

YOUR GUIDE TO BENSYNC

One Place To Review, Compare And Choose.

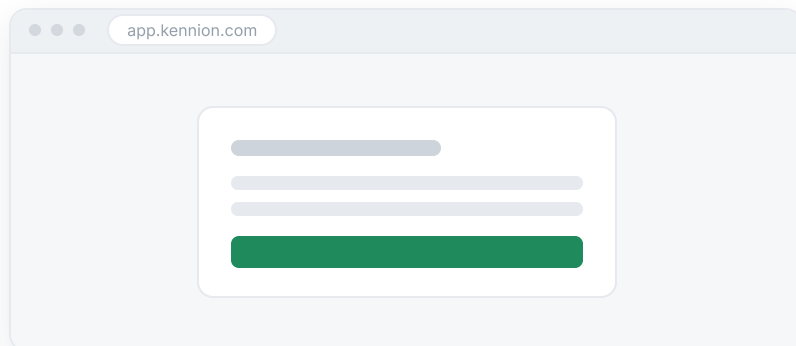

BenSync is Kennion's new benefits decision platform. Here's a quick walkthrough of what to expect — and who does what — along the way. No group is the same, but every group moves through BenSync the same simple way.

YOU, THE EMPLOYER

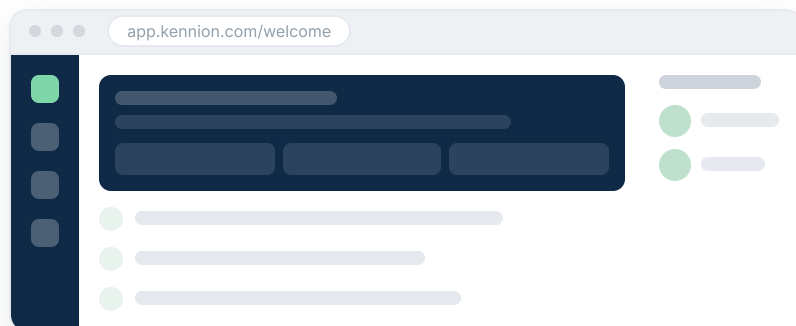

- ✓ Review your options in BenSync, at your own pace
- ✓ Ask questions anytime with the AI Assistant
- ✓ Choose the plans & contributions that fit your group
- ✓ Submit your selections when you're ready

KENNION + BENSYNC

- ✓ Shops the market on your behalf
- ✓ Loads every option into BenSync, priced at your census
- ✓ Guides your strategy with your account team
- ✓ Handles enrollment & carrier implementation after

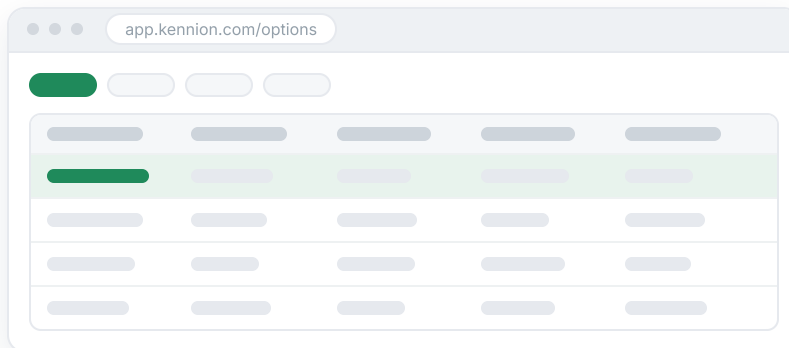

1 Sign In

Every group gets its own private, secure sign-in — no separate accounts or passwords to manage, and nothing to install.

2 Your Welcome Page

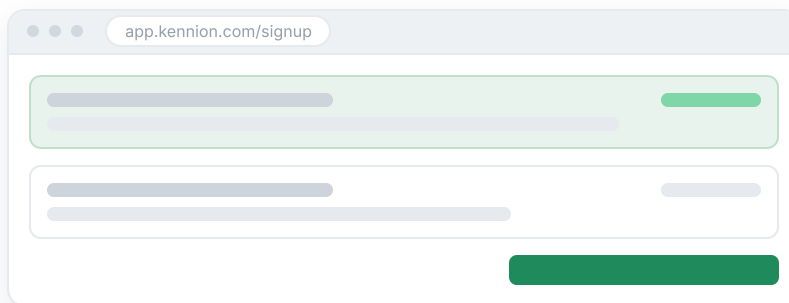

Sign in and you'll land on your group's Welcome page: a short overview, your four next steps, and your Kennion team — one click away the whole time.

3 Compare Your Options

- **Filter & sort** by carrier, network, deductible or total cost
- **Shortlist** a favorite with one click
- **Build a proposal** of your top options to compare side by side
- **Ask the AI Assistant** to explain any plan, anytime

4 Build Your Strategy & Sign Up

- **Set contributions** and see the employer cost update instantly
- **Compare your shortlist** side by side before deciding
- **Sign up in BenSync** when your strategy is set
- **Update anytime** before your final decision is due

Why It's Different

Priced For Your Group

Every option costed at your own census — no guesswork.

Clear, Not Complicated

Side-by-side comparisons in plain language.

Guided The Whole Way

Your Kennion team and the AI Assistant, always available.

Need a hand along the way? Your Kennion account team and the BenSync AI Assistant are with you at every step — from your first sign-in to your final sign-up.

READY WHEN YOU ARE

Your Kennion team will send your group's personalized BenSync link soon, along with your access code and a walkthrough call if you'd like one.
